84 Under 17 players arrive in Guelph to compete for Team Ontario

Guelph - 84 of Ontario's finest Under 17 hockey players arrive today in Guelph Ontario to participate in the Provincial Under 17 identification camp. The 3-day camp being held at the University of Guelph campus will provide the athletes with a full schedule of on ice competition as well as off ice fitness and nutrition education.

"I am looking forward to a very competitive camp that will identify the best players to represent Ontario at the 2007 Canada Winter Games being held in Whitehorse from February 24, 2007 through March 4, 2007. It will be a difficult task to select 20 players from this group of 84, however, I know that our coaching staff and evaluators who are extremely knowledgeable will select Ontario's best hockey players who were born in 1990" stated Mike Futa, Director of Operations for Team Ontario."

"I am looking forward to an exciting camp this year and hope to improve on our record at the 2007 Canada Winter Games. I am anxious to work with the other members of the coaching staff Jason Brooks and Paul Titanic, who are accomplished coaches in their own right" stated Team Ontario head coach Marty Williamson.

The Ontario Hockey Federation (OHF) is hosting the camp for the first time.
